

About KidSport™ Alberta

What is KidSport?

- KidSport is a national non-profit organization that aims to get kids off the sidelines and into the game by helping overcome the financial barriers that prevent some kids from participating in organized sport
- Since launching in 1995, KidSport Alberta chapters have helped more than 36,000 children and youth get involved in organized sport

How does KidSport help?

- KidSport provides grants to children from families facing financial barriers so they can participate in registered sport programs
- KidSport supports programs that provide the child with a sustained sport experience led by qualified instructors

Who is eligible to receive a KidSport grant?

- Families that are on a low income, unemployed, on AISH or those currently receiving income support through the government are all considered eligible
- KidSport also considers other social and economic barriers when determining eligibility
- Grants are for children under the age of 18 years
- Children 18 years of age may be considered if they are still attending high school

Note: all areas of the province that do not have an active KidSport chapter are covered by a provincial fund

The KidSport Alberta Aboriginal Sport Initiative

KidSport Alberta believes there is a significant opportunity to make a difference in the lives of Aboriginal youth across Alberta by encouraging participation in sport. Thanks to the support of Cenovus Energy and the Alberta Sport, Recreation, Parks and Wildlife Foundation, KidSport Alberta will be engaging Aboriginal youth by providing them with the resources to achieve success and learn life skills through sport.

What does a KidSport Grant Cover?

- KidSport grants help cover the cost of sport registration fees (funds are issued directly from the local KidSport chapter to the sport organization)
- If a child requires equipment, many KidSport Alberta chapters also offer a referral to our partner, The Brick Sport Central, an Edmonton based non-profit that collects, refurbishes and distributes equipment to kids in need
- Grant amounts vary by local chapter but typically range from \$200-\$300 per calendar year

How to Apply to KidSport:

1. Find a local KidSport chapter in your area and download the application form. A full listing of all KidSport Alberta chapters is available on our website www.kidsport.ab.ca or by calling 1-888-914-KIDS (5437)
2. Find a sport program your child would like to join and register him/her
3. Complete the KidSport application form to request a grant towards registration fees and/or assistance with equipment
4. Submit the application form to the local KidSport chapter (mailing address and other submission options will be listed on the form)
5. Application will be reviewed by KidSport within 30 days of being received. Cheques for approved applications are mailed to the sport club directly.
