

## Frontline Workers Meeting March 11, 2014

1. Introductions
2. Waitlists: Bissell has 70 people on waitlist which is what prompted Mark's new position working with individuals on the waitlist
3. Resources:
  - East Edmonton Health Centre – 7910 112 Ave. They seem to work well with our clientele, taking time to explain everything in detail. They are taking new clients at this time.
  - SLP program through Bissell – working with mothers on developing more social connections
4. Case Conference: Mark went over a difficult case . If anyone has a case they would like to bring to this meeting to discuss and brainstorm, let Julie know. The template is attached.
5. Let's Talk: Lisa Rogozinsky gave a talk on the "Let's Talk" campaign. The idea is to have sensitive discussions with people about the dangers of drinking while pregnant.
6. Who to invite for possible presentations: Glenrose Assessments, Royal Alex Pregnancy and Addictions program
7. Next Meeting: April 8, 2014 at Bent Arrow
