

You are invited...

...to learn more about

National Child Day!

The Edmonton Regional Steering Committee is hosting community stakeholders for a morning of networking, idea sharing, and awareness building around National Child Day.

National Child Day is recognized every November 20th and is a day to increase awareness of the UN Convention on the Rights of the Child and to celebrate our children and youth. This year we are focused on the theme;

“It’s Our Right to Belong”

The stakeholder event will provide your organization the opportunity to learn more about this important day and should you choose, participate on one of our committees or organize your own National Child Day event.

When: Thursday May 5, 2016; 9 a.m. to noon

Where: United Way Capital Region, 15132 Stony Plain Rd NW

RSVP by April 15 to WRaman-Nair@myunitedway.ca
