Coaching Families would like to invite you to a Fetal Alcohol Spectrum Disorder (FASD) caregiver support group.

Support Group is an opportunity to foster hope for caregivers through group information sharing. Caregivers have the chance to share their own experiences and creatively problem solve with other caregivers.

This year we are excited to be able to provide a light supper and child programming in order to serve you better. Please RSVP to Roxanna Clemont at 780-721-2236 or via email at: roxanna.clemont@cssalberta.ca for us to be able to provide the best possible experience for you.
