

FASD Métis Cultural Awareness Training

The FASD Métis Cultural Awareness Training encompasses:

- ✿ FASD Awareness and Information
- ✿ Métis Traditional Values
- ✿ Historical Colonization Trauma
- ✿ Legal Developments
- ✿ Governance Structures
- ✿ Métis Rights
- ✿ Métis Cultural Activities
- ✿ Métis Way of Life
- ✿ Current Issues
- ✿ MNA Supports and Services

Our goal is to help FASD Networks and service providers recognize and support the importance of cultural identity when working with citizens of our Métis communities.

Course Content:

Component 1 - Online Course

This component is an online, interactive course that must be completed to participate in the second component. This is done at the participant's own self-pace and should take approximately 3.5 hours (half day) to complete.

Component 2 - Facilitated Session

This portion of the training will include hands-on cultural activities and discussions that will bring together the learnings from the first component. This will provide an opportunity for participants to ask questions or have a discussion from the first component of this training.
